

LANCE MILLER  
Inflatable, Trampoline, and Amusement Device Expert

**PROFESSIONAL EXPERIENCE**

2017 to present **Miller Safety Inspections & Consulting, Inc.**  
*President*

- Conducts third-party inspections for amusement companies in the States of Colorado, Nebraska, New Mexico, Texas, Kansas, Missouri, Louisiana, Mississippi, Tennessee, Florida, New York, Illinois, and Minnesota to ensure they meet or exceed State regulatory requirements
- Consults with owners and operators nationwide for amusement industry-related issues
- Member of IOA (Inflatable Operators Association), providing safety seminars for operators and manufacturers
- Active member of ASTM F-24 with a focus in F24.61 patron directed amusement devices
- Provide technical investigations, analysis, reports, and testimony toward the resolution of commercial and personal injury litigation involving:
  - Amusement device operations, inspection, maintenance, design, and failure analysis
  - Inflatable operations, inspection, maintenance, design, and failure analysis
  - Trampoline Court operation, inspection, maintenance, design, and failure analysis
  - Rockwall operations, inspection, maintenance, design, and failure analysis
  - Mechanical Bull operations, inspection, maintenance, design, and failure analysis
  - Trackless Train operations, inspection, maintenance, design, and failure analysis
  - Bungee Jump/Bungee Tramp operations, inspection, maintenance, design, and failure analysis
  - Dunk Tank operations, inspection, maintenance, design, and failure analysis
  - Sumo Suits operations, inspection, maintenance, and design failure analysis

2018 to 2025 **Robson Forensic, Inc.**  
*Associate*

Provide technical investigations, analysis, reports, and testimony toward the resolution of commercial and personal injury litigation involving:

- Amusement device operations, inspection, maintenance, and failure analysis
- Inflatable operations, inspection, maintenance, and failure analysis
- Trampoline Court operation, inspection, maintenance, and failure analysis
- Rockwall operations, inspection, maintenance, and failure analysis
- Mechanical Bull operations, inspection, maintenance, and failure analysis
- Trackless Train operations, inspection, maintenance, and failure analysis
- Bungee Jump/Bungee Tramp operations, inspection, maintenance, and failure analysis
- Dunk Tank operations, inspection, maintenance, and failure analysis
- Sumo Suits operations, inspection, maintenance, and failure analysis

1999 to 2017 **Big Air Jumpers, Inc.**  
*President*

LANCE MILLER

Inflatable, Trampoline, and Amusement Device Expert

- Built a successful amusement rental company from ground zero to a 1.8-million-dollar annual rental company
- Provided leadership for over sixty employees and contractors
- Developed and implemented training protocol for installers, supervisors, maintenance, call center, and drivers to ensure safe, reliable operation of all equipment
- Provided operational leadership for three warehouses statewide
- Recognized as a leader in safety and business practices of inflatable and amusement devices
- Thousands of hours of experience in all aspects of the inflatable amusement rental industry and specialty amusement devices
- ASTM F-24.61 member from inception to the present
- Contributing member of Inflatable Academy, a group of inflatable owners and operators worldwide
- Consulted with insurance brokers for insurance-related issues regarding inflatable owners and operators

1990 to **Abbott Fire and Safety, Inc.**

1999 *Manager of Training*

- Built and implemented a training program to teach entry-level employees in the field of fire and safety
- Supervised on-site installation of various fire suppression systems
- Provided testing and maintenance of safety suppression systems
- Inspected and made recommendations to building officials in accordance with NFPA 101

1986 to **United States Air Force**

1994 *Fire Protection Specialist*

- Active Duty 1986 – 1990, Active Reserves 1990 – 1994
- Obtained the rank of E-5 Staff Sergeant
- Honorable Discharge from Active Duty and Reserves
- Firefighter for the USAF to protect property, aircraft, and assets
- NCOIC of alarm room communications
- Supervised the emergency call center for alarms
- Dispatched equipment and personnel to emergency incidents
- Obtained the rank of Station Captain during shift work
- Numerous medals and achievements
- Promoted below the zone to the next rank by peers and supervisors
- Nationally Certified Emergency Medical Technician

LANCE MILLER  
Inflatable, Trampoline, and Amusement Device Expert

**PROFESSIONAL CREDENTIALS**

AIMS International Certified Ride Inspector Level 2, expires March 31, 2027  
NAARSO Certified Amusement Ride Safety Inspector Level 2, CN-3574, expires March 31, 2027  
ACCT Level 1 Professional Inspector, expires July 31, 2027  
AIMS International Certified Operations Technician Level 2, expires March 31, 2028  
AIMS International Certified Adventure Attractions Level 1, expires March 31, 2028  
IOA Inflatable Operators Association Owner/Operator Level 1 Certification, expires March 19, 2028

**PAST CERTIFICATIONS**

IATP Level 2 Certified Service Technician (CST-2)  
Certified Emergency Medical Technician  
Responsible Operators of Amusement Rentals Certification (ROAR), annual certification from 2010 – 2017

**EDUCATION**

M.A., Community Counseling, Denver Theological Seminary, Denver, Colorado, 2003  
B.S., Organizational Management, Colorado Christian University, Lakewood, Colorado, 2001  
A.A.S., Fire Science Technology, Red Rocks Community College, Lakewood, Colorado, 1991

Continuing education:

National Association of Amusement Ride Safety Officials (NAARSO), 35th Annual Safety Forum, Orlando, FL, January 2022

- Ziplines
- Mechanical Bulls
- Hayride/Corn Maze
- Trains
- Wire Rope Inspection
- Hydraulics
- Pneumatics
- Trampolines
- Advanced Inspection Techniques
- Inflatables
- Passenger Restraints
- Inspection Points
- Dutch Wheels

National Association of Amusement Ride Safety Officials (NAARSO), 34th Annual Safety Forum, Orlando, FL, January 2021

LANCE MILLER

Inflatable, Trampoline, and Amusement Device Expert

- Basic Math
- Basic OSHA
- Fasteners
- Wire Rope
- Basic Hydraulics
- Basic Pneumatics
- Basic Generators
- Basic Electric
- ASTM
- Legal
- Basic Inspection Techniques
- Braking Systems
- Death by Pencil Whipping
- Component Inspection Points (Permanent Rides)
- Component Inspections Points (Mobile Rides)
- Hydraulic Locking Restraint Systems
- Wire Rope Inspections
- Inspecting Generators Portable Distribution

Association for Challenge Course Technology (ACCT), 29<sup>th</sup> Annual International Conference and Exposition, Denver, CO, February 2019

- 2019 Professional Inspectors Forum
- Tree Health: Damage, Disease, and Decline
- Do It Yourself
- Intro to Zipline Braking Systems
- Bring Your Compass, The Commissioning Process
- ACCT Test Preparatory Class

National Association of Amusement Ride Safety Officials (NAARSO), 32<sup>nd</sup> Annual Safety Forum, Myrtle Beach, SC, January 2019

- Water Slide & Feature Inspect
- Understanding Accelerometer
- Components/Inspection (Perm)
- Components/Inspection (Mobile)
- Hydraulic Locking Restraint
- Wire Rope Inspection
- Corrosion Analysis
- Water Quality Ride Inspector
- Understanding Weld & NDT
- ABCs of OSHA
- Rigging Inspections
- Electric Controls & Troubleshoot
- Dark Ride/Safety Code 101
- Patron Containment
- Inspecting Generators/Carnival
